

REFERRAL PROGRAM

The ColoHouse Referral Partner Program was designed for IT professionals with their fingers on the pulse of various industry verticals who would like to partner with us to grow our customer ecosystem while adding value to their existing clients.

WHY PARTNER WITH COLOHOUSE?

Our clients are our biggest champions and referral source, which has led ColoHouse to have an industry-leading **Net Promoter Score (NPS)**. We believe that our dedication to quality of our fully compliant facilities, carrier network, and connectivity partnered with our three on-site technicians who offer 5-minute support ticket acknowledgement and our signature Remote Hands offering, ColoHouse is an easy, reliable partnership.
